Working with Save a Cup to close the loop on waste collection

This is the first collection scheme in the UK to enable workplaces to send their compostable cups to industrial composting facilities. This scheme has the potential to divert thousands of cups away from landfill and can help you to reduce waste in your workplace.

You can find out more details on joining the **Save a Cup** scheme by calling 01494 510167 or visiting the website www.save-a-cup.co.uk
