8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Control Parameters

Occupational Exposure Limits

Exposure Controls

Eye Protection

Hand Protection

Respiratory Protection

Hygiene measures

No Limits

when in bulk

Suitable safety glasses with side shields.

Suitable gloves.

Under normal use not required.

Do not eat, drink or smoke when using. Wash promptly if skin becomes contaminated. Remove contaminated clothing for washing.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance

Odour

PH

Flammability

Density

Water Solubility

Clear liquid at 20°C

None

Approximately 4.0 – 6.0

Non flammable

Approximately 1.005 kg/litre

Totally soluble in water.

10. STABILITY AND REACTIVITY

Stability

Incompatible Material

Condition to avoid

Hazardous Decomposition Products

Stable under normal temperature and prescribed conditions. No hazardous reaction known.

Corrosive to carbon steels.

Extremes of temperature.

None
