10. <u>Stability and reactivity</u>	Stable under normal conditions.
11. <u>Toxicological information</u>	Not acutely toxic; may cause vomiting. If very large quantities are ingested, symptoms of alcohol-like intoxication may be observed; treat symptomatically. Do not induce vomiting. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes flushing with water is recommended. Estimated acute oral toxicity: LD50 (rats) > 5g/kg Eye irritation: Slightly irritating to eyes Skin irritation: Slightly irritating to skin Chronic toxicity: Repeated exposure to low levels (e.g. on fabrics) will not cause adverse effects Contact sensitization: Does not provoke a sensitization reaction
12. <u>Ecological information</u>	The product is intended for wide dispersive use and is compatible with the down-the-drain disposal route. The product is not considered harmful to aquatic organisms nor to cause long-term adverse effects in the environment. The surfactants contained in this preparation comply with the biodegradability criteria as laid down in Regulation EC/648/2004 on detergents.
13. <u>Disposal considerations</u>	Consumer products ending up down the drain after use. Observe safe handling precautions and local legislation.
14. <u>Transport information</u>	ADR 2005, European Agreement concerning the International Carriage of Dangerous Goods by Road (ADR) English Name: AEROSOLS, asphyxiant ID: UN 1950 Class: 2 Classification Code: 5A Label: 2.2 IMO International Maritime Dangerous Goods Code (IMDG), 2004 Edition English Name: AEROSOLS ID: UN 1950 Class: 2 Label: 2.2 EMS No: F-D, S-U Special Provisions: 63,190,277 International Air Transport Association (IATA) Dangerous Goods Regulations, 47th Edition English Name: Aerosols, non-flammable ID: UN 1950 Class: 2 Label: 2.2, Non-flamm. gas Pass. & Cargo Aircraft Ltd Qty Pkg Inst: Y203 Pass. & Cargo Aircraft Ltd Qty Max Qty / Pkg: 30 kg G Pass. & Cargo Aircraft Pkg Inst: 203 Pass. & Cargo Aircraft Max Qty / Pkg: 75 kg Cargo Aircraft Only Pkg Inst: 203 Cargo Aircraft Only Max Qty / Pkg: 150 kg Special Provisions: A98 ERG Code: 2L Shipments under Limited Quantities provisions: (LQ2) Maximum allowable quantities: less than 1 litre per inner packaging and less than 30 kg per package. Outer packaging needs to be clearly and durably marked with the UN number. This mark needs to be displayed within a diamond-shaped area surrounded by a line. Minimum dimensions 100 mm x 100 mm.
15. <u>Regulatory information</u>	This product is not classified as dangerous according to EU Directive 1999/45/EC and national laws. All substances in the preparation are registered in the EU.
16. <u>Other information</u>	This product does not require any special training before use. Usage and handling instructions are mentioned on package and on this Material Safety Data Sheet.
