

# DYMAPOWER

## Safety Data Sheet

according to Regulation (EC) No. 453/2010

Date of issue: 07/07/2015

Revision date: 05/06/2015

Version: 10.0

DYMAPOWER

F160

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### 1.1. Product identifier

Product form : Mixture  
Product name : DYMAPOWER  
Product code : F160  
Type of product : Technical product

#### 1.2. Relevant identified uses of the substance or mixture and uses advised against

##### 1.2.1. Relevant identified uses

Main use category : Professional use  
Industrial/Professional use spec : For professional use only  
Use of the substance/mixture : Hard surface cleaner

##### 1.2.2. Uses advised against

No additional information available

#### 1.3. Details of the supplier of the safety data sheet

SELDEN RESEARCH LIMITED

STADEN LANE BUSINESS PARK, STADEN LANE, BUXTON, DERBYSHIRE, SK17 9RZ, UNITED KINGDOM  
Tel: 01298 26226 Fax: 01298 26540 Email: sales@selden.co.uk

#### 1.4. Emergency telephone number

Emergency number : Mon to Fri 8.30am to 5.00pm - 01298 26226

### SECTION 2: Hazards identification

#### 2.1. Classification of the substance or mixture

##### Classification according to Regulation (EC) No. 1272/2008 [CLP]

Skin Corr. 1A H314

Full text of H-phrases: see section 16

#### 2.2. Label elements

##### Labelling according to Regulation (EC) No. 1272/2008 [CLP]

Hazard pictograms (CLP) :

GHS05

Signal word (CLP) : Danger  
Hazard statements (CLP) : H314 - Causes severe skin burns and eye damage  
Precautionary statements (CLP) : P260 - Do not breathe spray  
P264 - Wash hands thoroughly after handling  
P280 - Wear eye protection, protective gloves  
P301+P330+P331 - IF SWALLOWED: rinse mouth. Do NOT induce vomiting  
P303+P361+P353 - IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower  
P304+P340 - IF INHALED: Remove person to fresh air and keep comfortable for breathing  
P305+P351+P338 - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing  
P315 - Get immediate medical advice/attention  
P405 - Store locked up

#### 2.3. Other hazards

No additional information available

### SECTION 3: Composition/information on ingredients

#### 3.1. Substance

Not applicable

## Safety Data Sheet

according to Regulation (EC) No. 453/2010

## 3.2. Mixture

| Name                                                                 | Product identifier                                                     | %      | Classification according to Directive 67/548/EEC | Classification according to Regulation (EC) No. 1272/2008 [CLP] |
|----------------------------------------------------------------------|------------------------------------------------------------------------|--------|--------------------------------------------------|-----------------------------------------------------------------|
| 2-(2-butoxyethoxy)ethanol, diethylene glycol monobutyl ether         | (CAS No) 112-34-5<br>(EC no) 203-961-6<br>(EC index no) 603-096-00-8   | 5 - 15 | Xi; R36                                          | Eye Irrit. 2, H319                                              |
| Sodium xylenesulphonate                                              | (CAS No) 1300-72-7<br>(EC no) 215-090-9<br>(REACH-no) 01-2119513350-56 | 5 - 15 | Xi; R36                                          | Eye Irrit. 2, H319                                              |

| Oxirane, 2-methyl-, polymer with oxirane, mono(2-propylheptyl) ether | (CAS No) Polymer_DT03                                                  | 1 - 5  | Xn; R22<br>Xi; R41                               | Acute Tox. 4 (Oral), H302<br>Eye Dam. 1, H318                   |

Full text of R- and H-phrases: see section 16

## SECTION 4: First aid measures

## 4.1. Description of first aid measures

|                                       |                                                                                                                                    |
|---------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| First-aid measures general            | : Get medical advice/attention if you feel unwell.                                                                                 |
| First-aid measures after inhalation   | : Remove person to fresh air and keep comfortable for breathing.                                                                   |
| First-aid measures after skin contact | : Wash with plenty of soap and water. Take off immediately all contaminated clothing and wash it before reuse.                     |
| First-aid measures after eye contact  | : Immediately rinse with water for a prolonged period while holding the eyelids wide open. Get immediate medical advice/attention. |
| First-aid measures after ingestion    | : Do NOT induce vomiting. Rinse mouth. Drink plenty of water. Get medical advice/attention.                                        |

## 4.2. Most important symptoms and effects, both acute and delayed

|                                      |                                     |
|--------------------------------------|-------------------------------------|
| Symptoms/injuries after inhalation   | : May cause respiratory irritation. |
| Symptoms/injuries after skin contact | : Burns.                            |
| Symptoms/injuries after eye contact  | : Causes serious eye damage.        |
| Symptoms/injuries after ingestion    | : Burns.                            |

## 4.3. Indication of any immediate medical attention and special treatment needed

Treat symptomatically.

## SECTION 5: Firefighting measures

## 5.1. Extinguishing media

|                              |                                     |
|------------------------------|-------------------------------------|
| Suitable extinguishing media | : Carbon dioxide. Dry powder. Foam. |
|------------------------------|-------------------------------------|

## 5.2. Special hazards arising from the substance or mixture

|                                                  |                      |
|--------------------------------------------------|----------------------|
| Hazardous decomposition products in case of fire | : Corrosive vapours. |
|--------------------------------------------------|----------------------|

## 5.3. Advice for firefighters

No additional information available

## SECTION 6: Accidental release measures

## 6.1. Personal precautions, protective equipment and emergency procedures

## 6.1.1. For non-emergency personnel

|                      |                                   |
|----------------------|-----------------------------------|
| Emergency procedures | : Evacuate unnecessary personnel. |
|----------------------|-----------------------------------|

## 6.1.2. For emergency responders

|                      |                                                  |
|----------------------|--------------------------------------------------|
| Protective equipment | : Use personal protective equipment as required. |
|----------------------|--------------------------------------------------|

## 6.2. Environmental precautions

Avoid release to the environment.

## 6.3. Methods and material for containment and cleaning up

|                         |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| For containment         | : Collect spillage.                                                                         |
| Methods for cleaning up | : Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible. |

## 6.4. Reference to other sections

For further information refer to section 8: "Exposure controls/personal protection". For further information refer to section 13.

## Safety Data Sheet

according to Regulation (EC) No. 453/2010

**SECTION 7: Handling and storage****7.1. Precautions for safe handling**

|                               |                                                       |
|-------------------------------|-------------------------------------------------------|
| Precautions for safe handling | : Avoid contact with skin and eyes.                   |
| Hygiene measures              | : Do not eat, drink or smoke when using this product. |

**7.2. Conditions for safe storage, including any incompatibilities**

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Technical measures         | : Does not require any specific or particular technical measures. |
| Storage conditions         | : Keep container closed when not in use.                          |
| Incompatible products      | : Oxidizing agent. Strong acids.                                  |
| Incompatible materials     | : Metals.                                                         |
| Special rules on packaging | : Keep only in original container.                                |

**7.3. Specific end use(s)**

No additional information available

**SECTION 8: Exposure controls/personal protection****8.1. Control parameters**

No additional information available

**8.2. Exposure controls**

|                                   |                                             |
|-----------------------------------|---------------------------------------------|
| Materials for protective clothing | : Not required for normal conditions of use |
| Hand protection                   | : Protective gloves                         |
| Eye protection                    | : Safety glasses                            |
| Skin and body protection          | : Not required for normal conditions of use |
| Respiratory protection            | : Not required for normal conditions of use |

**SECTION 9: Physical and chemical properties****9.1. Information on basic physical and chemical properties**

|                                            |                     |
|--------------------------------------------|---------------------|
| Physical state                             | : Liquid            |
| Appearance                                 | : Liquid.           |
| Colour                                     | : Colourless.       |
| Odour                                      | : characteristic.   |
| Odour threshold                            | : No data available |
| pH                                         | : 13.3              |
| Relative evaporation rate (butylacetate=1) | : No data available |
| Melting point                              | : No data available |
| Freezing point                             | : No data available |
| Boiling point                              | : No data available |
| Flash point                                | : No data available |
| Auto-ignition temperature                  | : No data available |
| Decomposition temperature                  | : No data available |
| Flammability (solid, gas)                  | : No data available |
| Vapour pressure                            | : No data available |
| Relative vapour density at 20 °C           | : No data available |
| Relative density                           | : 1.08              |
| Solubility                                 | : No data available |
| Log Pow                                    | : No data available |
| Viscosity, kinematic                       | : No data available |
| Viscosity, dynamic                         | : No data available |
| Explosive properties                       | : No data available |
| Oxidising properties                       | : No data available |
| Explosive limits                           | : No data available |

## Safety Data Sheet

according to Regulation (EC) No. 453/2010

**9.2. Other information**

No additional information available

**SECTION 10: Stability and reactivity****10.1. Reactivity**

No additional information available

**10.2. Chemical stability**

Stable under normal conditions.

**10.3. Possibility of hazardous reactions**

No additional information available

**10.4. Conditions to avoid**

No additional information available

**10.5. Incompatible materials**

metals.

**10.6. Hazardous decomposition products**

No additional information available

**SECTION 11: Toxicological information****11.1. Information on toxicological effects**

|                                                    |                                                        |
|----------------------------------------------------|--------------------------------------------------------|
| Acute toxicity                                     | : Not classified                                       |
| Skin corrosion/irritation                          | : Causes severe skin burns and eye damage.<br>pH: 13.3 |
| Serious eye damage/irritation                      | : Serious eye damage, category 1, implicit<br>pH: 13.3 |
| Respiratory or skin sensitisation                  | : Not classified                                       |
| Germ cell mutagenicity                             | : Not classified                                       |
| Carcinogenicity                                    | : Not classified                                       |
| Reproductive toxicity                              | : Not classified                                       |
| Specific target organ toxicity (single exposure)   | : Not classified                                       |
| Specific target organ toxicity (repeated exposure) | : Not classified                                       |
| Aspiration hazard                                  | : Not classified                                       |

**SECTION 12: Ecological information****12.1. Toxicity**

| <b>Sodium xylenesulphonate (1300-72-7)</b>                                                 |                       |

| ErC50 (other aquatic plants)                                                               | > 10 - 100 mg/l       |

**12.2. Persistence and degradability**

No additional information available

**12.3. Bioaccumulative potential**

No additional information available

**12.4. Mobility in soil**

No additional information available

**12.5. Results of PBT and vPvB assessment**

No additional information available

**12.6. Other adverse effects**

No additional information available

## Safety Data Sheet

according to Regulation (EC) No. 453/2010

**SECTION 13: Disposal considerations****13.1. Waste treatment methods**

No additional information available

**SECTION 14: Transport information**

In accordance with ADR / RID / IMDG / IATA / ADN

**14.1. UN number**

UN-No. (ADR) : 1760  
UN-No. (IMDG) : 1760  
UN-No.(IATA) : 1760

**14.2. UN proper shipping name**

Proper Shipping Name (ADR) : CORROSIVE LIQUID, N.O.S.  
Proper Shipping Name (IMDG) : CORROSIVE LIQUID, N.O.S.  
Proper Shipping Name (IATA) : CORROSIVE LIQUID, N.O.S.  
Transport document description (ADR) : UN 1760 CORROSIVE LIQUID, N.O.S. (SODIUM METASILICATE), 8, III, (E)  
Transport document description (IMDG) : UN 1760 CORROSIVE LIQUID, N.O.S., 8, III

**14.3. Transport hazard class(es)****ADR**

Transport hazard class(es) (ADR) : 8  
Danger labels (ADR) : 8

**IMDG**

Transport hazard class(es) (IMDG) : 8  
Danger labels (IMDG) : 8

**IATA**

Transport hazard class(es) (IATA) : 8  
Hazard labels (IATA) : 8

**14.4. Packing group**

Packing group (ADR) : III  
Packing group (IMDG) : III  
Packing group (IATA) : III

**14.5. Environmental hazards**

Dangerous for the environment : No  
Marine pollutant : No  
Other information : No supplementary information available

## Safety Data Sheet

according to Regulation (EC) No. 453/2010

**14.6. Special precautions for user****- Overland transport**

|                                                           |                           |
|-----------------------------------------------------------|---------------------------|
| Classification code (ADR)                                 | : C9                      |
| Special provisions (ADR)                                  | : 274                     |

**14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code**

|          |                   |
|----------|-------------------|
| IBC code | : Not applicable. |
|----------|-------------------|

**SECTION 15: Regulatory information****15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture****15.1.1. EU-Regulations**

Contains no substances with Annex XVII restrictions  
 Contains no substance on the REACH candidate list  
 Contains no REACH Annex XIV substances

## Safety Data Sheet

according to Regulation (EC) No. 453/2010

## 15.1.2. National regulations

## Germany

VwVwS Annex reference : Water hazard class (WGK) 1, slightly hazardous to water (Classification according to VwVwS, Annex 4)

12th Ordinance Implementing the Federal Immission Control Act - 12.BImSchV : Is not subject of the 12. BImSchV (Hazardous Incident Ordinance)

## Denmark

Recommendations Danish Regulation : Young people below the age of 18 years are not allowed to use the product

## 15.2. Chemical safety assessment

No additional information available

## SECTION 16: Other information
