

## COSMETIC PRODUCT INFORMATION SHEET FOR FINISHED PRODUCT TRANSPORT, HANDLING AND STORAGE

CPI 20

Issue Date: 06/04/2026

1. **Product Name:** Dove Hydrating care Conditioner  
**Brand(s):** Dove

**Supplier** Unilever Asia Private Limited  
18 Nepal Park  
Singapore 139407  
Tel: (65) 6643 3000  
Fax: (65) 6570 1090

**Careline Number** UK: 0800 085 1548 & IRL: 1850 404060

2. **Composition** See Product Label or call Careline Number above.

3. **Physical and Chemical Properties**

|                                       |                                                                                                       |
|---------------------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Appearance:</b>                    | Opaque viscous cream/liquid                                                                           |
| <b>pH value:</b>                      | Not Applicable                                                                                        |
| <b>Flammability:</b>                  | Not Flammable                                                                                         |
| <b>Flashpoint:</b>                    | Not Applicable                                                                                        |
| <b>Explosive Limits:</b>              | Not Applicable                                                                                        |
| <b>Stability:</b>                     | Stable under normal conditions                                                                        |
| <b>Conditions/Materials to avoid:</b> | Extremes of temperature.                                                                              |
| <b>Hazardous combustion products:</b> | Product may decompose in fire and liberate oxides of carbon and other unidentified organic compounds. |

4. **Potential Effects**

Physical/Chemical In case of spillage, beware of slippery floors and surfaces.

Environmental Large spillage, if released into the environment, may be harmful to aquatic organisms and may cause long-term adverse effects in the aquatic environment.

Health

|                       |                                                            |
|-----------------------|------------------------------------------------------------|
| <i>Ingestion:</i>     | Unlikely to be harmful unless excessive amounts swallowed. |
| <i>Skin and Eyes:</i> | May be slightly irritating to skin and eyes.               |
| <i>Inhalation:</i>    | Not applicable.                                            |

## 5. First Aid Measures

Emergency Tel:

Day: UK: 0800 085 1548 & IRL: 1850 404060

Night: UK: 0800 085 1548 & IRL: 1850 404060

Ingestion: Immediately rinse mouth (only if the person is conscious). Drink 1 or 2 glasses of water. If large amount swallowed or symptoms develop obtain medical attention.

Skin: Rinse with water. Get medical attention if any discomfort continues.

Eyes: Immediately rinse with water for several minutes. Get medical attention if any discomfort continues.

Inhalation: Unlikely route of exposure. If unusual symptoms develop move the exposed person to fresh air at once and get medical attention.

## 6. Fire Fighting Measures

Extinguishing Media: This product is not flammable. Use fire-extinguishing media appropriate for surrounding materials.

Special Hazards: If heated, toxic vapours may form.

Special Personal

Protection Equipment : Self contained breathing apparatus and full protective clothing must be worn in case of fire.

## 7. Accidental Release Measures

### Precautions

Avoid contact with eyes. In line with good hygienic practices in the workplace avoid any unnecessary contact with skin.

### Protective Equipment

Use suitable gloves and eye protection.

### Method of clean up

Absorb spillage with non combustible material (e.g. sand, Spill-Dri). Shovel into plastic lined containers and seal. Wash contaminated area with water.

### Environmental Precautions

Do not allow spillage to enter drains, sewers or water courses. Advise authorities if spillage has entered water course or sewer or has contaminated soil or vegetation.

## 8. Handling and Storage

### Bulk Storage

Store at moderate temperatures in dry, well ventilated area. Store in accordance with relevant local regulations.

### Bulk Handling

Suitable equipment for dealing with spillage should be readily available.

## 9. Disposal Considerations

In accordance with local regulations.

## 10. Transport Information

| UN Number | Shipping Name     | Class | Packing Group |
