PRISTINE paper hygiene & hand care
HOW TO REFILL A DISPENSER
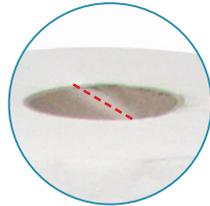

How to refill PRISTINE centrefeed dispensers

1. Simply insert the PRISTINE dispenser key into the top of the dispenser, pull the door towards you.

2. Remove the centrefeed from its outer wrapping and locate the score line found inside the core of the centrefeed roll.

3. Using your hands, create a small tear along the score line of the core.

4. Pull upwards and detach the core from the centrefeed, then dicard the core.

5. Carefully place the centrefeed inside the dispenser and pull the tissue through the bottom of the dispenser then close the dispenser door.

How to refill PRISTINE hand care dispensers

1. Push the release button on the bottom of the dispenser, the door will open.

2. To remove an empty refill bottle, push this button whilst lifting the refill bottle out of the dispenser.

3. Remove the refill bottle from its outer wrapping and then remove the cap of the refill bottle.

4. Make sure the colour on the refill bottle matches the colour on the dispenser.

5. Place the nozzle of the refill bottle into the dispenser until it clicks into position, you will no longer see the colour on the refill bottle. Then close the door of the dispenser.
