Reusable & recyclable food service packaging

Verive is a new, exclusive brand range of reusable food service packaging from Bunzl Catering Supplies. Specifically designed for a circular take-use-return programme, Verive products are suitable for repeat cleaning in a dishwasher. After multiple reuse and at the end of its full lifespan, most Verive products can be recycled.

- **A responsible choice**
- **Reduced carbon footprint**
- **Improved waste management**
- **Consumer engagement**
- **Hygiene and convenience**
- **Legislative compliance**

Verive 360° is a market-leading service solution that helps you implement and utilise reusables in a circular system, at events, in-house or on-the-go.

Fully supported collect, wash and return system

All reusables in the Verive range can be collected, washed, and returned in a fully supported return system, ensuring longevity, and a practical and positive customer experience every time.

Deposit return with QR code and/or RFID technology

Most reusables in the Verive range can be QR code and/or RFID (chip or sticker) enabled to enhance consumer engagement and facilitate automated product tracking in multiple reuse cycles.
