KeCo Kraft Food Containers and Lids

KeCo Kraft Food Containers and Lids are made from double thickness board with a PP (polypropylene) coating and are available in a range of sizes with lids to fit, which are sold separately. Perfect for serving steaming hot foods like soup and pasta or chilled and frozen foods like salad and ice cream, KeCo Kraft Food Containers and Lids are safe for freezing and refrigerating, and are microwavable too. KeCo Kraft Food Containers and Lids are recyclable when segregated and sent to specialist recycling facilities.

- Available in 3 sizes, with lids
- Board lids with vent holes
- Freezable and microwavable
- Recyclable via specialist facilities
