Improve your sustainability performance

Tissue made of 100% recycled fibres

Between 30% and 50% of the tissue comes from recycled cardboard boxes

The light brown tissue colour comes from the recycled materials. No dyes added in the paper making

All Tork Natural colour hand towels can be used with the Tork PaperCircle® recycling service

Certifications:

Refills are EU Ecolabel and Forest Stewardship Council® (FSC®) certified. This guarantees that the tissue is made with fibre from responsibly managed forests and other controlled sources. Hand towels are Food Contact Approved for wiping.

The mark of responsible forestry

For Wiping

* User research conducted in UK, Germany and France among office workers and restaurant visitors during April 2022.
