Deli2Go board trays with PP lids

Deli2Go board trays with PP lids combine minimal design with maximum functionality. Suitable for hot and cold food, Deli2Go board trays are grease resistant and refrigerator friendly. The innovative PP lid with an external clip, provides one hand closure and fits all four trays, from 125ml to 500ml.

The new Deli2Go range is suitable for cold food and hot food counter service.

Deli2Go range:

- Made in Europe
- Rigid board trays are stackable, grease resistant and refrigerator friendly
- Innovative lid with external clip provides one hand closure
- Lids are made from PP and provide a secure fit and good visibility
- Both tray and lid recyclable
