Verive reusable pint and half pint tumblers

These new Verive reusable pint and half pint tumblers are beautifully clear - ideal for environments where both safety and style are required. Dishwasher safe up to 1000 washes, these tumblers are also fully recyclable at their end of life. Verive is an exclusive brand range of reusable food service packaging specifically designed for a circular take-use-return programme, and for repeat cleaning in a dishwasher. After multiple reuse and at the end of its full lifespan, Verive products can be placed in a dedicated recyclables bin to be sent to a material recovery facility for recycling.

UKCA marked tumbler
1 pint to brim
Case: 1 x 216
