Stokoderm Sun Protect 50 PURE

SPF 50 UV Skin Protection Cream for Professional Use

Stokoderm Sun Protect 50 PURE is a premium, water-resistant SPF 50 sunscreen for outdoor workers. It provides essential broad-spectrum defense against UVA, UVB, and UVC rays. The perfume-free, non-greasy formula is ideal for sensitive skin and leaves no slippery residue.

1-Litre Cartridge: Designed for workplace dispenser systems.

100ml Tube: Convenient for personal use or toolkits.

- **Triple-Action Defense:** Shields against UVA, UVB, and UVC radiation, making it ideal for those exposed to natural sunlight or artificial UV rays from industrial processes.
- **Water & Sweat Resistant:** Tested to maintain its SPF 50 coverage even after 80 minutes of water immersion.
- **Non-Greasy:** Absorbs rapidly so hands remain secure for handling tools and equipment.
- **Skin-Kind Formula:** Completely free of perfumes, dyes, and silicones. It is safe and non-irritating for those with sensitive skin or allergies.
- **Skin Conditioning:** Enriched with glycerin to help prevent the skin from drying out.
