Tap&Reuse supported by Circular&Co

A simple solution to end the use of single-use cups

Tap&Reuse is a returnable cup scheme designed to make reuse simple and accessible. The system enables customers to borrow a reusable cup, return it to a collection point after use, and have it washed and put back into circulation. With no app, no upfront deposit and a simple return process, Tap&Reuse offers an easy experience for customers while giving operators a practical, supported route away from single-use cups.

For the customer:

- ✓ No app to download
- ✓ No deposit taken
- ✓ No scanning back in
- ✓ Just "Tap & Go"

For the operator:

- ✓ Simple and practical
- ✓ Fixed Monthly Subscription
- ✓ Covers all hardware and technical support
- ✓ Free replacement cups
